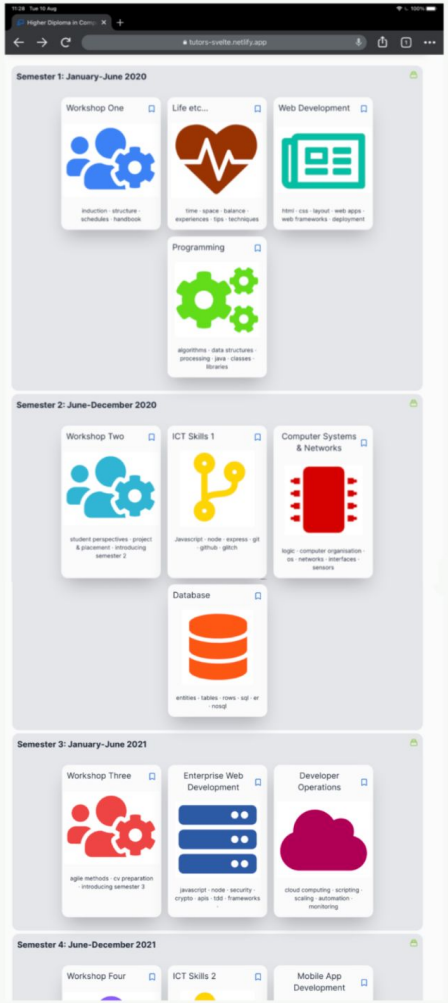
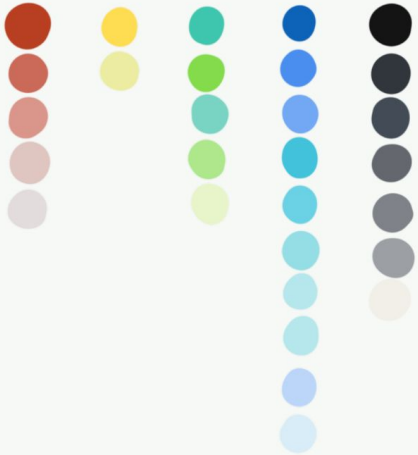
Colour Scheme

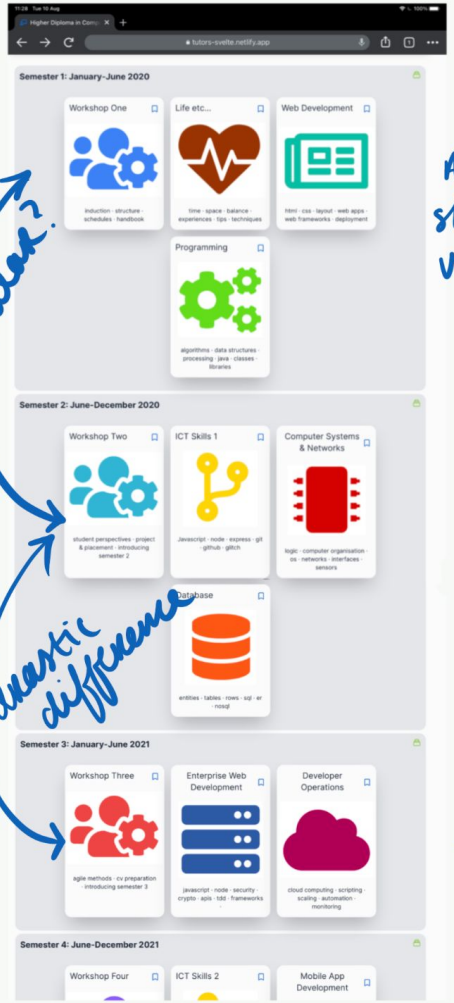
Current colours, mindmap, beginning of new theme



Current Colour Palette

R Y G B





similar?

drastic difference

A lot of shade variation

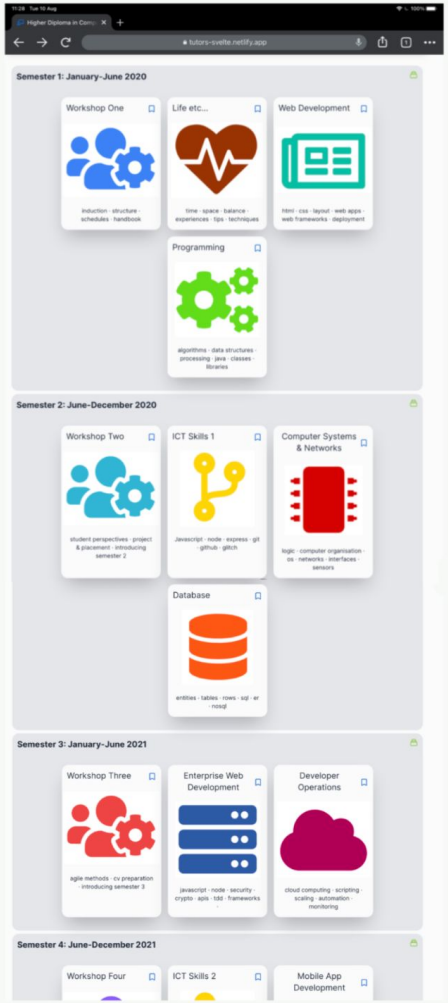
Current Colour Palette

R Y G B

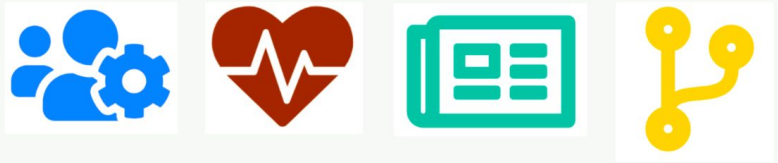
mix of vibrant & muted

Rainbow-esque educational ABCs feel intentional?

Create a set colour scheme?



Cohesive Iconography



Look somewhat related

Similar stroke sizes

Similar styles

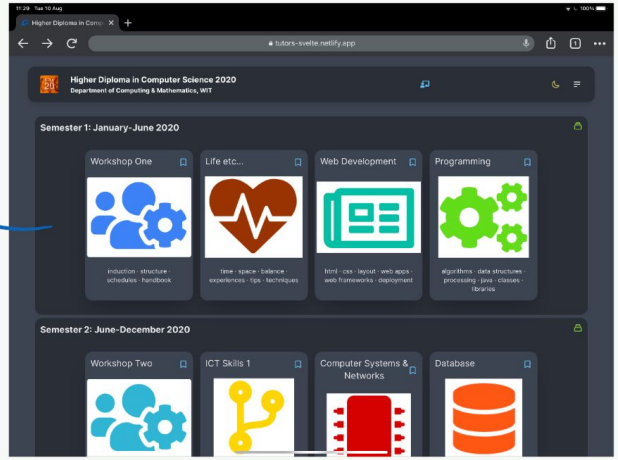
Simple - gets message across

coherence

same icon for same module

* create resource of set icons in proper format & preset colours.

Backgrounds not transparent



ruins unified tile look

have to check if they work in all available themes
